

# ADOPT-A-CLASS

Provides activities for the children, much-needed supplies and makes special events possible. Adopt-a-class allows our corporate partners to interact with the students as a team-building or philanthropic outreach program. You will be invited to special events, receive a special thank you from the students and receive a named plaque in your adopted classroom.

## \$3,000

## who we are

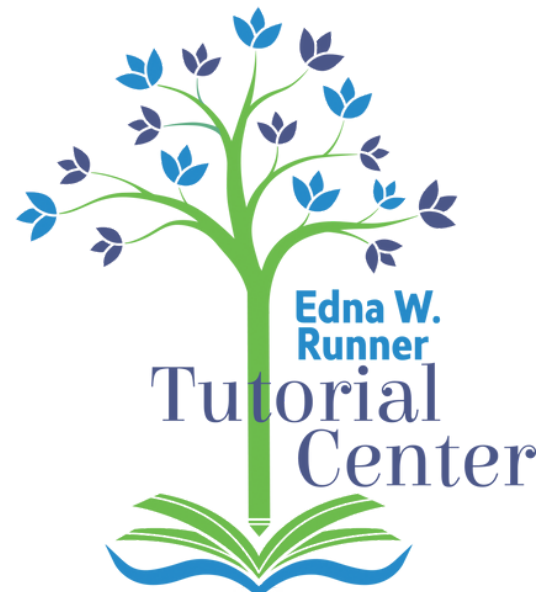

The Edna W. Runner Tutorial Center (West Jupiter Community Group, Inc.) is a 501c3 organization that has been providing services in the West Jupiter community since 1986 to youth and senior citizens.

## what we do

The Tutorial Center is a provider of after school, winter break, spring break and summer camp services for children in grades K-8. Our objective is to provide educational support, increase grade point average and self-esteem. We strive to help students develop interests, skill and knowledge in a variety of areas all within a safe, warm and nurturing environment.

## adopting a class makes a difference

When you adopt a class you connect with the children in our community in a critical way. Signing up is easy! Just fill out the form here or contact our office directly. Thank you!
